Federal Bureau of Investigation
Washington, D.C.

Dear Nada:

Thank you for your assistance last week in connection with my travel to The United Arab Emirates. Your efforts enabled me to remain on schedule and stay focused on my agenda.

I commend you on your professionalism and dedication to duty. You embody the FBI's motto -- Fidelity, Bravery, Integrity -- and the Bureau is fortunate to have an employee of your caliber.

Again, many thanks for your assistance and for all the kindnesses and courtesies you extended to me. I am looking forward to working with you in the future.

*Great job
Thanks*

Best wishes
Sincerely,
Louis J. Freeh
